1. Dan Murphy's complaint has some basis.

2. We have been aware for some weeks that a complaint was in the mill. It is obviously not a momentous issue and I have therefore attached a proposed anodyne reply.

Dear Dan,

I have had my people look into the problem relating to the recent Alert Memoranda on possible movement of Cuban forces

I am satisfied that the personnel involved did their best to get the information it contained to DIA as soon as the problem was recognized. All the NIOs have been reminded of their responsibility to ensure that such information is passed to DIA as expeditiously as possible if an Alert Memorandum is to be issued.

Sincerely,

/s/
